

SALANA IJTEMA 2023 WELCOME TO ALL GUESTS

**Important guidelines of Syedna Huzur
Anwar (atba) for the attendants of Ijtema**

“Those who are participating in Ijtema must remember that they have to fulfil their desired aim and instead of wasting their times in amusement and non-essential talks, spend most of it in Zikr-e-Ilahi (Remembrance of Allah) and spiritual talks. So that our sittings would not be seen on the day of judgment with a sense of regret.”

(Friday Sermon, 22nd September 2017)

SECURITY

- It is important that for the sake of security, you remain watchful all the time. Be vigilant and if you notice a stranger, inform the relevant department immediately. It is not advisable to interfere yourself personally.

CLEANLINESS

- Despite of cleaning roads during the days of Ijtema, some children and adults throw waste in Ijtema Gah and other public sites. Any waste you observe, throw it in the dust bin whether who is in charge of cleanliness duty. Both guests and hosts should consider these things.
- Greet your friends with a cheerful countenance and gift of salaam.

DUA

- The main thing is Dua. Emphasize on the Dua. Start your journey, and return with Dua and also keep praying during the journey.

(Friday Sermon, 18 July 2003)
