

Annual Programme
Majlis Atfal-ul-Ahmadiyya India
2025–2026

On the Occasion of the Annual Ijtema of Majlis Khuddamul Ahmadiyya India, October 2025

Message of Hazrat Amirul Momineen, Khalifatul Masih V (aba)

*In the Name of Allah, the Most Gracious, the Most Merciful
Peace and blessings be upon the Noble Messenger, and upon His servant, the Promised
Messiah.*

With the grace and mercy of Allah,

Respected Sadr, Majlis Khuddam-ul-Ahmadiyya India

Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

By the grace of Allah, Majlis Khuddam-ul-Ahmadiyya, India has the honor to hold its annual National Ijtema. May Allah make this gathering blessed and successful in every way and enable all Khuddam and Atfal to benefit from all its programs. Ameen.

As members of the Ahmadiyya Community known as Khuddam and Atfal, you bear very important responsibilities. Allah has created you to serve the world, and for this purpose, you must first strengthen your relationship with Allah, and in His presence, continually strive to elevate the standard of your worship. Therefore, make it a habit to offer your five daily prayers regularly with humility and devotion, and make recitation of the Holy Quran and adherence to its teachings a regular part of your life.

As your connection with Allah grows, your faith and certainty will strengthen. As a result, Allah will bless you with countless favors and blessings. You will advance in life and contribute to establishing peace and harmony in society, Insha'Allah. But this requires sincere effort and dedication.

It is essential to strengthen your loyalty and sincerity towards Khilafat-ul-Ahmadiyya. You must wholeheartedly follow every instruction and guidance of the Khalifa of the time, as this is the foundation that opens the doors to progress and success. Remember, the secret of all your progress lies in your attachment to Khilafat. Loyalty and sincerity will always lead to your success in both religion and worldly affairs. Insha'Allah.

Another great responsibility of Ahmadi Khuddam is to pay special attention to the upbringing of future generations and keep them firmly attached to the Jama'at. You must create an environment of righteousness, piety, and love in your homes so that children learn from your practical example, become familiar with the teachings of Islam, and, in the future, spread the message of peace and the beautiful teachings of Islam.

The Promised Messiah (peace be upon him) said:

"Be righteous yourself and become a good example of piety and righteousness for your children. Strive and pray to make them God-fearing and religious. Put as much effort into this as you do in accumulating wealth for them. Understand clearly that nothing can benefit unless a true relationship with Allah exists."

— Malfoozat, Vol. 7, p. 320

If you understand these responsibilities and strive to fulfill them excellently, you will receive Allah's blessings and contribute to strengthening the bright future of the Jama'at. May Allah enable you to act upon these instructions and make this Ijtema a source of spiritual transformation for you. Ameen.

With Salaam,

Signed by His Holiness, Khalifatul Masih V (may Allah be his Helper and Protector)

Purpose of Establishing Majlis Atfal-ul-Ahmadiyya

While explaining the purpose and objective of establishing Majlis Atfal-ul-Ahmadiyya, Hazrat Khalifatul Masih V (may Allah be his Helper) once said:

“Atfal-ul-Ahmadiyya is such an organisation of the Ahmadiyya Muslim Community on which the future depends. The children of today become the youth of tomorrow and the leaders of the nation. Thus, when Hazrat Khalifatul Masih II (may Allah be pleased with him) established various organisations, he also formed an organisation for children under Khuddam-ul-Ahmadiyya, which came to be known as Atfal-ul-Ahmadiyya.

Hence, Atfal-ul-Ahmadiyya is a very important organisation. When Hazrat Khalifatul Masih II formed all these organisations, his intention was that every child, youth, elderly person, woman, and man of the Community should become capable of shouldering the responsibilities of the Jama'at.”

(Reference: Address of Hazrat Khalifatul Masih V (may Allah be his Helper), delivered on 17 September 2011)

Training Classes during School Holidays

Every Majlis must arrange at least weekly or three-day training classes during the seasonal holidays this year. In these classes, the Waqf-e-Nau syllabus should be used to assess and improve the education and moral training of Atfal. After conducting these classes, a separate report of the activities must be sent to the Markaz.

Attendance System

Majilis should make efforts to ensure that Atfal:

- offer Salat in congregation,
- listen to the Friday Sermon of Huzoor Anwar (aba) on MTA,
- and regularly attend other Majlis programs such as educational classes, tarbiyyati meetings, Waqar-e-Amal, etc.
- For this purpose, it is advisable that the Nazim Atfal maintains a proper attendance system for congregational prayers as well as the programs mentioned above.

If, in cities, due to long distances between homes and the mosque, attendance for congregational prayers is not possible, then Majilis must ensure that parents supervise these matters at home and maintain daily attendance, and at the end of the month provide this report/information to the Nazim Atfal.

Benefit from MTA

- Majalis should review how many Atfal benefit from various MTA programs. Those Atfal who do not benefit—or have very little exposure—should be reminded and encouraged.
- If the number of Atfal in a Majlis is small and proper MTA arrangements are not available in homes, then it is essential to have MTA arrangements in the mosque.
- Majalis should arrange to gather Atfal in the mosque on Fridays and Sunday mornings to watch MTA programs. Similarly, MTA broadcasts special programs for teaching Urdu and for Story Time/Play Time for children, such as "Bachon Ki Dunya". These programs should also be shown to Atfal from time to time.
- These programs are also available on MTA Online (YouTube channel).
- In addition, the Jamaat publishes the newspaper Al-Fazl, which should also be used for the benefit of Atfal.

1. Truthfulness
2. Use of soft and pure speech
3. Compassion for creation — feeling the pain of others and helping relieve it
4. Broad-mindedness and tolerance
5. Strong determination and courage

Similarly, every effort should be made to eliminate the following evils from among Atfal:

Efforts should also be made to eliminate the following vices:

- Lying, backbiting, foul language, fighting
- Disobedience, idleness, wasting time
- Theft, dishonesty, bad company, intoxicants
- Improper dressing, excessive use of mobile phones

Spreading Peace – (Afshu al-Salaam)

In accordance with the instruction of the Holy Prophet ﷺ “Afshu al-salaam” (spread peace), children should be trained to greet and shake hands with everyone—young and old.

Letters for Prayers

Each Majlis should ensure that every Tifl writes at least one letter per month to Huzoor Anwar (aba) requesting prayers.

These letters can also be sent through the website of Majlis Khuddamul Ahmadiyya Bharat:

www.khuddam.in

Parents’ Day

Every Majlis should hold Parents’ Day twice a year, in which all Atfal, their parents, and other Jamaat members should participate.

During this event, the proceedings should follow the prescribed pattern of tarbiyyati meetings. The presiding officer should draw the attention of Atfal and their parents to various important matters of training and moral upbringing.

Atfal Week

According to the program of the Markazi Annual Ijtema, each Majlis should hold Atfal Week once a year. During this week, various educational and sports competitions should be organized for Atfal.

Additionally, a special session should be held focused on attachment to Khilafat, in which incidents from the blessed life of Huzoor Anwar (aba) — taken from the diary of Respected Abid Khan Sahib (Press Secretary, Jamaat Ahmadiyya) — should be narrated to the Atfal to increase their interest.

To increase the interest of Atfal, a discussion programme should also be held occasionally, in which only Atfal participate.

A general knowledge quiz and Waqf-e-Nau syllabus-based quiz should also be organized, and a detailed report with photographs should be sent to the Markaz.

Kuloo Jamee'an & Picnics

Every Majlis should arrange Kuloo Jamee'an (collective meals) at least three times a year, and efforts should be made to ensure that all Atfal participate in this program.

Summary of Friday Sermons

- All Atfal should be encouraged to listen live to the Friday Sermon of Huzoor Anwar (aba) every Friday and write notes of the sermon in their diaries.
- Throughout the year, Atfal who regularly prepare summaries and notes should be awarded prizes at the annual District or State Ijtema.
- A report of this activity should also be sent to the Markaz.

Visit to Qadian Dar-ul-Aman

Majalis should encourage the Atfal of the senior age group to visit Qadian Dar-ul-Aman during seasonal holidays.
